

Attorney Docket No. 78137RLO  
Customer No. 01333

**REMARKS**

The above identified application was allowed on August 17, 2004. Applicants have discovered that the wording of independent claims 14, 33 and 36 was incorrect in stating that the information receiving layer was formed over the barrier layer instead of under the barrier layer. Accordingly claims 14, 33 and 36 have been amended to correct this. It is believed that these claims remain allowable and that no new searching is needed. Accordingly it is believed that a new Notice of Allowance should be issued.

Accordingly, this application is believed to be in condition for allowance. If there are any problems with these changes, Applicants' attorney would appreciate a phone call.

Respectfully submitted,
